

**PROTECTING THE WORLD
FROM THE GROUND UP.**

Innovative Portable Flooring and Ground Protection Solutions for Event Venues

**High-Quality Products with Proven Performance
that Provide a Significant Return on Investment**

Transform Your Space with Versatile Indoor/Outdoor Event Flooring & Ground Protection Panels

Signature's portable event flooring solutions transform indoor and outdoor spaces into safe, versatile venues for events of all sizes. From tent flooring to pedestrian walkways and equipment accessways, our composite mats provide stable, temporary surfaces that protect both guests and property.

Lightweight, durable, and easy to install, OmniDeck® and Matrax® panels give you the flexibility to host more events. Maximize your venue's capacity, extend usable space, and increase revenue-generating potential with long-lasting event flooring designed for any ground condition.

- ✓ Keep guests safe with tent flooring, pedestrian walkways and turf protection
- ✓ Efficient installation reduces labor costs and speeds up setup and breakdown times
- ✓ Protect sensitive surfaces from vehicles, equipment setup and large crowds
- ✓ Stable, durable and stylish flooring for even the most luxurious events
- ✓ Proven performance for a durable long life and significant ROI
